COMPANY NAME

COMPANY TELEPHONE NUMBER

We are dedicated to offering the highest standard of customer service – please let us know your thoughts on our service.

As a member of the British Healthcare Trades Association (BHTA), we commit to its Chartered Trading Standards Approved (CTSI) Code of Practice.

This sets strict requirements on us to offer consumer service that goes above and beyond our legal obligations, and is closely monitored by both the BHTA and CTSI.

In particular:

- We will never cold call
- We will never pressure sell
- We will protect all customer prepayments and deposits
- We will encourage you to have an advisor present at any home visits
- We will give you information you need clearly in writing

If you are unhappy with any aspect of the product or service you have received, please talk to us on the telephone number above and we'll do our best to put it right.

If we are unable to resolve the issue to your satisfaction, then you can contact the BHTA. It offers a free, fair and impartial complaints mediation service to assist consumers – visit www.bhta.com for more information.

You can contact the BHTA at complaints@bhta.com or on 020 7702 2141.

We take pride in our commitment to offering exceptional customer service service and would like to know how are doing – so would the BHTA.

Please help us offer an even better service in the future by answering the short, three-question survey on the reverse side of this form. The BHTA collates our customers' feedback and lets us know how we are performing. Any comment you make is anonymised as well.
